

# 2019 GCS Yearbook

## “Love Line” Space Reservation Form

The 6<sup>th</sup> Grade Activities Committee invites you to support our annual yearbook! The yearbook will feature formal and informal photos of students, staff and families; giving the students a great way to remember their special year at Goshen Center School!

### Love Lines:

Send a special message of thanks, congratulations, or appreciation for a student, friend, or teacher! Loves lines are listed at the back of the yearbook.

Ask a grandparent or relative if they'd like to send a “love line”  
~ it's a great surprise for a student!
