

CELEBRATING **20** YEARS

# ASAP! SAMPLER **LITCHFIELD**

**GRADES K-6 MATICA CIRCUS, JENNA ROBB,  
JOHN MARSHALL, AUSTIN DAILEY**

Get a taste of ASAP! Summer Camp in our four-week favorite workshop sampler. Each week offers a different experience. **Circus** with Matica: Hone your circus skills while having fun with scarves and assorted juggling balls and clubs, plate spinning, and stilt-walking. **Visual Art**: Have you ever drawn while blindfolded? Painted in the dark? Never looked at your paper while trying to draw an object? Taking away your most trusted sense—your eyes—can make for surprising, funny, and interesting new art. Try your hand at blind drawing and painting with visual artist Jenna Robb to discover a new side of your artist self! **Hand Drumming**: Come explore traditional rhythms from across the world with internationally recognized master percussionist John Marshall. Participants get the opportunity to use a variety of tuned percussion instruments including frame drums, Egyptian tambourines and dumbeks, congas, djembes, and a drum kit. **Hip Hop**: Move and groove in this high-energy, fun class with Austin Dailey. Participants will learn new party dance moves to the beat of Hip-Hop music and have fun with breakdancing, waving robotics, and line dancing.
