

CLAYORAMA

GRADES 3-5 KAITLIN CLARK

Get ready to use your imagination to design and create fun clay sculptures in a diorama! Experience creating with air dry clay while learning about shapes, form, and structure. What inspires you ... animals, nature, books, movies? Let's make it! Participants will use Clayorama Google Classroom and connect live through Zoom. We will begin by creating the environment for our sculptures in a diorama format. Then we will create all of the fun and unique details out of clay! Once our sculptures dry, we will add the finishing touches on our one of a kind dioramas with provided paints.

MONDAYS, OCT. 26, NOV. 2, 9, 16 | 4:00-4:45pm
Virtual

Register by October 12, 2020.
